# WELCOME & THANK YOU

GLOBAL  
CHEESE AWARDS  
FROME • EST 1861

May I take this opportunity to firstly say thank you - thank you to all our existing sponsors for their generous support & thank you to all potential sponsors for taking the time to read this and thinking about becoming involved with our event.

This year, as always, we will strive to make improvements that we hope will enhance the event and cement its future - quite literally in fact as a major development will be that of a permanent 1875msq. exhibition building! It will be used to house the exhibits, trade stands & entertainment for the event but also be able for other events throughout the year. The investment in this project symbolises the support of the Frome Agricultural Society for our cheese section and we hope also shows to both sponsors & exhibitors our commitment to the future of the awards and all they represent

I hope the following information is of interest and look forward to welcoming you to our Trade day in September followed by the fantastic Awards Presentation Dinner, all in our new Pavilion!

Chris Stilton  
Global Cheese Awards Chairman

## The Competition

2019 saw over 750 entries from across the world with many exhibitors in attendance. We pride ourselves on having classes for everyone from local artisans to large scale producers & retailers

## Network

Our afternoon of judging is the perfect chance to showcase your products or services to fellow sponsors, exhibitors & trade delegates. Take trade space, put out literature or just mingle in the Cheese Bar!

## Celebrate

Following the judging we present the awards over drinks before sitting down to a fantastic locally sourced dinner with other members of the Society. Show sponsors & invited guests.

## Public Show Day

Join us on the Saturday with your trade stand or just as a guest & enjoy all the features of our fantastic show both in & outside the Cheese Hall along with the 20 000 other visitors!
